***Note:** For emergency reasons or drop-in occasions, the school must be notified that the student is planning to attend the Extension Service that day as soon as possible, and preferably before 2 p.m. to ensure we can alert staff of their attendance.

In these cases, the cost of attendance will be pulled from the available funds in the Extension Deposit account for the student. Parents will need to ensure funds are available or deposited prior to notifying the school. No notification may result in the student not being permitted to attend Extension.
