Welcome Back!

We hope you and your family had a wonderful spring break! It was great to have a little time to rest and connect with family and friends. We are ready to get back to it and finish strong!

### Spring 2022 Reset

During the next two weeks staff will be working with students to do a “Spring 2022 Reset”. This month our character education focus is on “Citizenship”. This would be a great time to review with your student ways to be a good citizen of the Woodlands community. Please take some time to review the [Woodlands Student Expectations](#) with your student. Classrooms will participate in a number of lessons from our social emotional learning resource, **Character Strong** with a focus on “community building” in the classrooms.

### Student Tardiness

We are seeing an increase in students coming to school after the start of instruction. The most crucial learning hours of a school day are the morning hours, because they are when students are most attentive. Students who are tardy miss the beginning of their morning classes, and they also cause a distraction when they arrive late to class.

**The instructional day begins for all students at 8:15am.** This means that students should arrive at school prior to 8:15am so that they can be in their classrooms, seated, and ready to participate in learning by no later than 8:15am.

### **Ways parents can help students be on time:**

- Establishing and keeping a schedule; kids thrive on routine
- Going to bed and waking up earlier

Bluemound Campus | State Street Campus

- Preparing for the morning the night before by laying out outfits, packing backpacks, and pre-packing lunches
- If work schedules conflict, investigate other means of transportation, such as carpooling with other families

Thank you for choosing to be a part of the Woodlands School community. We have a strong and proud past and a bright and exciting future!
