FORWARD 3 / 4 5 / 6 7 / 8			March 18 - 28
	The WI FORWARD Exam is the State assessment for students in grades 3rd - 8th. 4th and 8th grade students are assessed in the areas of reading, writing, math, science and social studies. 3rd, 5th, 6th and 7th grade students are assessed in the areas of reading and math. A parent/guardian has the option to opt out of this assessment. However, this assessment provides another opportunity for teachers to use the information to support individual student growth points. Our school goal is to have 100% student participation on this assessment. This assessment is given in the spring. The results are provided in the following fall.
