

March 29, 2023

Hello Woodlands Community,

Spring is here! Even though we keep getting bouts of snow here and there, spring has arrived! This is the last week of school before our students and staff get to enjoy time away during their Spring Break. Students return to class on Wednesday, April 12th.

### **April Board of Trustees Meeting**

The Board and the Woodlands administrative team have been working together to develop a balanced budget for next school year. We have had to make some staffing adjustments due to enrollment and the job market. We have spent the last two weeks talking with staff about the changes and strategizing how to plan for a smooth 2023-24 school year.

Please join us at our next Board of Trustees meeting in April (date TBA) at **6pm** via Zoom to hear more about the changes. Please join the meeting by [clicking this link](#).

### **COVID-19 Testing Ending**

The school campus COVID-19 testing program will be ending at Woodlands. The last day for testing will be on **Friday, April 28th**. We encourage families to continue to take advantage of this free service until that date. After that date, Woodlands will have free at-home tests for all students while supplies last. Please watch for future communication with details on how to access the free at-home testing supplies.

### **School Safety**

We were deeply shocked and saddened by the events that occurred Monday at the Covenant School in Nashville, Tennessee. We want to assure you that the safety of our students is our top priority. We are constantly reviewing our security measures to ensure that we are doing everything we can to protect our students and staff. We also urge everyone to speak up if they see or hear anything that could represent a potential threat to school safety. Throughout this week, our focus has been on the mental, emotional, and physical wellbeing of our students and staff. The staff at Woodlands has taken time to review our safety procedures at our campuses. Please [read here](#) about our new Raptor Safety System now at Woodlands.

Please join us in keeping the Nashville community in our thoughts at this time. Thank you for your support.
