Hello Woodlands Community,

Welcome back and Happy Fall! We are having a great time with the new school year. Our students are growing and learning every day. Thanks so much for your partnership and support in getting this new year off to a great start.

Home-School Compact

Thank you to all of the families that attended our [Title I Annual Parent Meeting](#) held during the recent Curriculum Night. As you may know, the Title I Program is a federal funding program designed to close achievement gaps and ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education.

At the Title I Annual Parent Meeting the principals shared that we would be gathering feedback from parents on the Home-School Compact . The Home-School Compact document is a written agreement between the school and the parents of children participating in Title I, Part A programs that identifies the activities that the parents, the entire school staff, and the students will undertake to share the responsibility for improved student academic achievement. In addition, the school-parent compact outlines the activities that the parents, school staff, and students will undertake to build and develop a partnership to help the children achieve the State's high academic standards.

Please click the link [HERE](#) to share feedback with us on the Home-School Compact. Feedback will be accepted until Friday, September 22nd.
