Staffing Update

We will include a staffing update in each Family Update to ensure families are aware of any staffing changes that have occurred and the plans moving forward.

Library- Ms. Janelle Tyler-Schroder has decided to leave Woodlands to pursue other opportunities. Her last day at Woodlands was last Friday. We wish her the best in the future. Plan: Our teaching assistants will help with students visiting the library and checking out books. We will also be looking for volunteers to assist in the library as was done last school year. The position is posted with employment websites and we are actively looking for candidates.
